Bouverie Preserve of Audubon Canyon Ranch

March 8th, March 29th, April 12th,
April 19th, May 17th in 2008

Bouverie Preserve of Audubon Canyon Ranch is a 535-acre private, non-profit, nature preserve located in the heart of the Sonoma Valley. In addition to preservation, restoration and research programs, each year we provide a free, comprehensive environmental education program to over 3,000 third and fourth graders in Sonoma and Napa counties.

We also offer volunteer led hikes to the public on certain Saturdays throughout the fall and spring.

The hikes begin at 9:30 a.m. and end at 1:30 p.m. and range from 2 to 5 miles.

Participants are divided into small groups and paired with a trained Bouverie volunteer.

There is no fee for this program, however a contribution of \$15 is suggested and greatly appreciated.

All gifts support our education, conservation and research programs.

To make a reservation, e-mail nancy@egret.org with all of the following information:
