

# Transportation Scholarship Application

Audubon Canyon Ranch (ACR) offers transportation scholarships to classes participating in our education programs.

**Bus scholarship terms and qualifications:**

- Complete the form below and return it and other necessary attachments by August 23, 2019. Funding may not be available for applications received after this date.
- Include with your application the bus quote and a confirmation of your reservation.
- ACR may provide between 25% and 100% of your transportation costs depending on need and available funds. Your efforts to secure the most cost-effective transportation available frees up funds for others in need.
- ACR will mail a check for the granted scholarship amount to the designated party below (not the bus company) after the class has visited the Preserve.
